

SONGS FROM URASHIMA

Yuu Hi (The Setting Sun)

Chorus:

Geen geen geera geera
Yuu higa shi zu mu
Geen geen geera geera
Higa shi zu mu

Verse:

Ma ka ka ka sora no ku mo
Mina no o ka omo ma ka ka
Geen geen geera geera
Higa shi zu mu

Blazing at the close of day
Setting is the sun
Blazing fiery red, the sun goes down

Scarlet are the clouds in the sky,
All your cheeks are scarlet too
Blazing fiery red, the sun goes down.

Umi (Sea, How Wide and How Endless)

Umi wa hiro ina oh oh ki i na
Tsu ki ga no ba ru shi
Higa shi zu mu

How wide and how endless, oh mighty sea
Moon will rise, wind will blow free, sun will set

Urashima's Song

Mukashi mukashi Urashima wa
Tasuketa kame ni tsurerarete
Ryuuguujo e kitemireba
E nimo kakenai utsukushisa

Once upon a time
Urashima was taken, with the help of a turtle
To the Palace of the Sea King
Which was beautiful beyond description
